

DOGS AND GOODROADS

HOW THE LAW FOR ACCOMAC COUNTY HAS WORKED.

Resisted by Some Persons—The Constitutionality of the Act to Be Tested—Arrested for Violating the Oyster Laws—New Church.

ONANCOCK, VA., October 7.—(Special.) The General Assembly of Virginia at its last session passed an act levying a tax on dogs in the county of Accomac, and setting aside the money raised from this source to be used exclusively for the improvement of the public highways of the county. As was to be expected, the law has proved to be very unpopular with certain classes, but the great majority of the people seem to be in favor of it; and it is a notorious fact that the public highways of Accomac are in a far better condition than ever before. In several instances the payment of this tax has been resisted, and a case will in a few days come up before the Circuit Court of Accomac testing the constitutionality of the act. The main ground on which the contestants rely is the first clause of Article X. of the State Constitution, which says that "all property, both real and personal, shall be taxed in proportion to its value. The present law lays a tax of one cent on each dog and \$2 on each female cur, and the tax is the same on a worthless cur as on a valuable setter or other hunting dog. The issue of the case is awaited here with much interest.

VIOLATING THE OYSTER LAWS.
Captain John R. Thomas, commander of the State oyster police boat Pocumoke, captured on Thursday Maseo Holden, William Richmond, James Warrington, Harry Milburn, and Harry Harman, all colored, for taking oysters contrary to law from Old Rock, in Pocumoke sound. The men were all taken before Justice Phillips, who bailed them to appear before the next grand jury term of the County Court.

A NEW CHURCH.
The Presbyterians of Onancock have sold their old church, in which they have been worshipping since the congregation was organized here, and will begin at an early date to erect a handsome church on Main street, in the center of town. When completed the church will be one of the prettiest on the Eastern Shore of Virginia. The old church was originally built by the Southern Methodists when they separated from the Northern branch of that church, just before the war.

Senator George W. LeFlore will represent Accomac in the General Assembly of 1896. He will be elected to the 10th district. Bursar, the famous trotting stallion, belonging to Ezekiah P. Northampton, recently won the trotting race in the 2:30 class at the Gentlemen's Driving Park, near Baltimore, in three straight heats. In the opinion of many good judges this horse had a great future before him on the turf.

THE FAR NORTHWEST.

The Crops—Our Nominees Hard at Work—Marriage.

GATE CITY, VA., October 7.—(Special.) The heavy frosts seem to have done considerable damage to vegetation in this section. Much of the corn has hardly matured, and it is seriously injured. Last Tuesday morning the ice lay stagnant in the 2:30 class at the Gentlemen's Driving Park, near Baltimore, in three straight heats. In the opinion of many good judges this horse had a great future before him on the turf.

CLARKE COUNTY.
The "Wets" Win—A Fire—Thrown from a Dog Cart.
BERRYVILLE, VA., October 7.—(Special.) The special election held in Greenway District, in this county, to determine whether or not the sale of liquors in that district should be allowed resulted in a victory for the "wets." The contest was a very close one, and the vote polled large. A fire occurred about 12 o'clock Friday at "Mansfield," formerly the property of William B. Page, and lately purchased by Charles R. Hardesty. All the buildings on the place, except the dwelling, were destroyed. In spite of the strenuous efforts made by those present to extinguish the fire, in addition to the buildings, about one hundred and fifty tons of hay and other farm products were burned. The fire is supposed to have been the work of an incendiary. The property lost was insured in the Loudoun Mutual, The Virginia Fire and Marine and other companies for a considerable part of its value, so that Mr. Hardesty's loss will not be so heavy as was feared.

DIED AT LEESBURG.
Mr. Walter J. Harrison, a War Member of the Howitzers.
LEESBURG, VA., October 7.—(Special.) Mr. Walter J. Harrison, oldest son of the late Henry T. Harrison, of Leesburg, and one of the foremost of our citizens, died here at a late hour last night. He was the president of the Loudoun National Bank of Leesburg. He served as Mayor of this town for several consecutive terms, and was re-elected for the present term, but declined to qualify. He was slightly paralyzed several months ago, and has been in failing health ever since. He was a grandson of the late General Walter Jones of Washington, D. C. He was a gallant Confederate soldier, and will be remembered by the survivors of the Richmond Howitzers, with whom he served faithfully during the late war. He was in the first year of his age, and leaves a widow and five children.

THE BELL AT RADFORD.

No Formal Demonstration—The Escort Much Pleased.

EAST RADFORD, VA., October 7.—(Special.) Two thousand five hundred people were at the depot yesterday morning when the special train bearing the Liberty Bell steamed into the depot. The day being Sunday, no formal demonstration was made, but old and young turned out to gaze upon the relic. Confederate veterans, from brigadier

general to private, were plentiful, and gave the escorting party a cordial greeting. Major Warwick, as well as Thomas L. Hicks, of Philadelphia, delivered short addresses. The senior class of Belle Heth Academy sang a beautiful wreath on the bell. The members of the party were led in their praises of the whole-souled greeting given them everywhere, and the honors showered on their charge.

A DEAF MUTE KILLED.

A Sunday Tragedy in Henry County.

MARTINSVILLE, VA., October 7.—(Special.) James Wilson (white), who lived in this county, ten miles southwest of here, was shot and instantly killed by Henry Vernon, also white, yesterday about noon. Wilson was a deaf-mute. The killing was, as far as I have been able to learn, entirely unexpected and unprovoked. Vernon is still at large.

Highland Circuit Court.

MONTEREY, VA., October 7.—(Special.) Circuit Court convened in regular session last Thursday, with Judge William McLaughlin on the bench, and the business was dispatched with his usual promptness. The term was concluded in one day.

Richard S. Ker, an attorney from Stuart, was granted leave to practice in the court.

The cases on the law and chancery docket that were taken up at this term, were of little importance. The attorneys in attendance at the Circuit Court, were John W. Stephenson, Richard S. Ker, and B. H. Hiner.

IN A WRITHING HIER.

Hundreds of People Fall Into a Church Basement.

While a great crowd of people was assembled Sunday afternoon to witness the laying of the corner-stone of the new St. Mary's Catholic church, Lorain, O., a temporary floor, on which many of the people were standing, suddenly gave way, precipitating scores of persons into the basement. One was killed outright, and about fifty were injured, ten fatally.

Services were about to begin when the accident happened. Fully 3,000 persons were assembled on and around the pit, which had been constructed across the excavation for the church building.

The boards forming the temporary floor had been laid on joists, which were supported in the middle by upright posts. These supports broke, and the floor went down with a crash. Fully 300 people were thrown into the pit formed by the sagging in of the middle of the floor.

There was a rush forward by those willing to assist the crushed and struggling people. This made matters worse, for fifty more persons were crowded forward into the hole upon those who went down with the floor. When the confusion had subsided many of those who were able to extricate themselves did so by talking and crawling over their less fortunate companions.

The work of rescue was begun at once, and all were taken from the pit. Following is a list of the killed and wounded:

KILLED.

MARY WEBER, 2 years old; daughter of Mr. and Mrs. W. Weber, of Sheffield.

FATALLY INJURED.

ROSA M'GEE, 3 years old; skull fractured.

KATIE GRIFFIN, 8 years old; internal injury.

MRS. CORNELIUS SULLIVAN; spine injured, and leg crushed.

MARY GABER; chest crushed and hurt internally.

MRS. MICHAEL KELLING; injured internally.

MRS. KATE DIEDRICH; both legs broken and hurt internally.

JOHN FIELD CAMP; hurt internally.

MRS. MARGARET MACKERT; hurt internally.

NELLIE DOLLY; head and neck injured.

NICHOLAS WAGNER; skull fractured.

LEO THEOBOLD, 3 years old; head cut.

COLONEL W. I. BROWN; leg and arm bruised.

MRS. JOHN FOX; both legs broken.

MRS. WILLIAM DU BERGETT; hurt internally.

MRS. MARY LATIMER; right leg crushed.

MRS. JACOB KEFFER; hurt internally, and leg will have to be amputated.

JOHN MARTIN; leg broken.

JOHN EUSTIN; back hurt.

MRS. MARY EUSTIN; ankle broken.

WILLIAM RYAN; leg broken.

DOCTORS WERE BUSY.

The Catholic church and parochial school were at once turned into hospitals. A score of doctors were called, and they were kept busy for hours caring for the injured.

THE ACCIDENT WAS DEFECTIVE TIMBERS.

The contractor was warned that the platform was insecure, but he said it would hold all the people that could be crowded on it. There were between 1,500 and 2,000 people on it when it gave way.

Despite the accident, the services were continued, and the laying of the corner-stone was completed.

YALE'S ATHLETIC TROPHY.

International University Cup Won in Competition with Cambridge.

(New York Herald.)

The International University Cup won by Yale in the athletic competition with Cambridge, at the ribbons, and stands twenty inches high. The broad, ruffled acanthus leaves, celebrated by Virgil, spring up from the base and decorate the body of the cup, while borders in gold and silver, resting on the base, are introduced at different sections of the body and top.

The feature of the decorations, however, is a beautifully modeled eagle, which surmounts the cover. The American bird of freedom, with uplifted wings, has apparently just alighted upon the trophy, and with its talons is holding the two silver ribbons, both ends of which are held like reins in the mouth of the two British lions that stand out in relief upon the sides of the cup.

Inscribed on one of the ribbons are the words "International University Athletic Contest," and to the right and left of the ribbons the date, October 6, 1895. Around the neck of the cup are etched the names "Cambridge-Yale," and above the lions' heads, resting on the narrow neck of the cup, are medals of the two college teams. In the center, beneath the two silver ribbons, appears the monogram "U. S. A." also in relief work. The cup has a capacity of seven pints, and weighs nearly eighty ounces.

BIG DOCKET OF ORDINARY CASES.

Several Felonies Charged, But All of Them Continued—Fines Imposed.

The cases heard in the Police Court yesterday were for the most part unimportant. Anna Diericks (colored), charged with stealing a gold ring, valued at \$5, from Bettie Pegram, was discharged, no evidence not being sufficient to sustain the charge.

Charles Brooks, charged with feloniously assaulting Maria Johnson, was discharged. John Underwood (colored) was up for feloniously assaulting Henry Goode and striking him with a piece of gas-pipe. Goode was unable to appear in court, on account of his injuries, so the case was continued to the 10th.

Sonnie Terry (colored) was charged with shooting and wounding a piano tuner, Lewis Loney. Other John J. Hall, who made the arrest, stated that the condition made the arrest, critical, and that he was unable to appear in court. The case was continued to the 10th.

William Sack and Henry Little were charged with stealing a lot of carpenter's tools from C. R. Meades. The former was found guilty of petty larceny, and was sentenced to jail for thirty days. An appeal was taken, and the accused, William Sack, was set at liberty, with John M. Sack as surety. The case of Henry Little was dismissed, as there was no evidence to sustain the charge.

United States Indictments.

The grand jury of the United States Court yesterday found true bills against W. H. Llewellyn, charged with violating the postal laws by mailing an obscene letter, and against Anna White alias Anna Burton, charged with violating the internal-revenue laws.

In the suit of Edward H. Ross against R. W. Summer, the court gave judgment for the defendant.

"Plain, but athletic." (After sketch in New York Truth.)

Evidently the picture of a woman cleaning house for the first time with Pearlina. She finds that what has always been the hardest kind of hard work is now comparatively easy, pleasant, quickly done—and in her joy and enthusiasm and high spirits, she kicks up her heels. Probably this is an extreme case. Still, it may be there are numbers of women who, when they clean house first with Pearlina, manifest their pleasure in the same way. You don't hear of it, though. They simply tell you that in all their lives the work of house-cleaning has never been so light, so satisfactory, so soon
